

## A

Abies Canadensis	Agave Americana	Antimonium Metallicum
Abies Nigra	Agnus Castus	Antimonium Sulfuratum Aurantium
Abrotanum	Agraphis Nutans	Antimonium Tartaricum
Abrus Precatorius	Agrimonia Eupatoria	Antipyrine
Absinthium	Ailanthus Glandulosa	Apis Mellifica
Acalypha indica	Ajuga Reptans	Apium Graveolens
Acariens	Alchemilla Vulgaris	Apocynum
Acetaldehydum	Aldosterone	Apomorphine Muriaticum
Acetinum	Aletris Farinosa	Aqua Marina
Acidum Aceticum	Alfalfa	Aqua Silicata
Acidum Ascorbicum	Alkekengi Baccae	Aquilegia Vulgaris
Acidum Benzoicum E Resina	Allium Cepa	Arachide
Acidum Benzoicum	Allium Sativum	Aralia Racemosa
Acidum Camphoricum	Alloxane	Aranea Avicularis
Acidum Carbolicum	Aloe Vera	Aranea Diadema
Acidum Citricum	Aloe Ferox	Aranea Ixobola
Acidum Formicum	Alpha-Dinitrophenolum	Archangelica
Acidum Gallicum	Althaea Officinalis	Arctium Lappa
Acidum Hydrocyanicum	Alumen	Argentum Colloidal
Acidum Hydrofluoricum	Alumina Silicata (Kaolin)	Argentum Metallicum
Acidum Lacticum	Alumina	Argentum Nitricum
Acidum Linoleicum	Ambra Grisea	Aristolochia Clematidis
Acidum Muriaticum	Ambra Lutea (Ambre jaune)	Arn
Acidum Nitricum	Ambrosia Artemisiae Folia	Arnica Montana
Acidum Oxalicum	Ambrosia Trifida (herbe à poux)	Arsenicum Album
Acidum Phosphoricum	Ammi Majus	Arsenicum Bromatum
Acidum Picricum	Ammi Visnaga	Arsenicum Iodatum
Acidum Salicylicum	Ammoniacum	Artemisia Vulgaris
Acidum Sarcolacticum	Ammonium Bromatum	Arum Maculatum
Acidum Succinicum	Ammonium Carbonicum	Arum Triphyllum
Acidum Tannicum	Ammonium Muriaticum	Arundo Donax
Acidum Tribromoaceticum	Ammonium Nitricum	Arundo Mauritanica
Acidum Tricholaceticum	Ammonium Phosphoricum	Asa Foetida
Acidum Trifluoroaceticum	Amygdalus Persica (Ecorce)	Asarum Europaeum
Aconit Ferox	Amylase	Ascaris
Aconit Napel	Amylum Nitrosum	Asclepias Tuberosa
Acorus Calamus	Anacardium Orientale	Asterias Rubens
Act.-hib Iso	Anagallis Arvensis	Astragalus Gummifer
Actea Racemosa = Cimicifuga	Anantherum Muricatum	Atp
Actea Spicata	Anas Barbariae	Atropinum Sulfuricum
Adiantum Capillus Veneris	Angelica Archangelica	Atropinum
ADN	Angustura Vera	Aurum Chloratum Natronatum
Adonis Vernalis	Anhalonium Lewinii	Aurum Chloratum (Muriaticum)
Adrénaline	Anisum Stellatum	Aurum Colloidal
Aesculus Glabra	Anthemis Nobillis	Aurum Iodatum
Aesculus Hippocastanum	Anthracinum	Aurum Metallicum
Aethusa Cynapium	Antimonium Arsenicosum	Aurum Muriaticum Kalinum
Agaricus Campestris	Antimonium Bromatum	Avena Sativa
Agaricus Muscarius	Antimonium Crudum	

## B

Bacillinum	Bellis Perennis	Borago Off
Badiaga	Benzopyrene	Borax
Balsamum Peruvianum	Berberis Aquifolium	Bothrops Lanceolatus – Lachesis
Baptisia	Berberis Vulgaris	Lanc
Barium Carbonicum – Baryta Carb	Beryllium Metal	Bovista (Gigantea)
Barium Iodatum – Baryta Iod	Beta Vulgaris	Brachyglottis Repens
Barium Muriaticum – Baryta Mur	Betonica Off	Bromum
Baryta Sulfurica	Betula Alba	Brunella Vulgaris
Baryta Nitrica	Betula Pubescens	Bryonia Alba
Baryta (Baryta Oxydata)	Bismutum	Bryonia Dioica
Basilicum	Blatta Orientalis	Bryophyllum Calycinum
BCG (vaccin anti-tuberculeux)	Boldo	Bufo Rana (E Anim. Tot.)
Belladonna	Boletus Laricis	Buxus Sempervirens

## C

Cactus Grandiflorus	Carboneum Sulfuratum	Chininum Arsenicosum
Cadmium Sulfuricum	Carcinosinum	Chininum Bromhydricum
Cafeinum	Cardiospermum Halicacabum	Chininum Ferro-Citricum
Cajeputum	Carduus Benedictus	Chininum Muriaticum
Caladium Seguinum	Carduus Marianus	Chininum Salicylicum
Calamintha Clinopodium	Carica Papaya	Chininum Sulfuricum
Calamus (Aromaticus)	Carotene B	Chionanthus Virginica
Calcarea Acetica	Carum Carvi	Chlamydia
Calcarea Arsenicosa	Carve Indica	Chloralum Hydratum
Calcarea Bichromica	Carve Sativa	Chloramphenicol
Calcarea Bromata	Cascara Sagrada	Chloroforme
Calcarea Carbonica	Castanea Vesca	Chlorophyllum
Calcarea Fluoro Silicata	Castor Equi	Chlorum
Calcarea Fluorica	Castoreum	Chocolat
Calcarea Hypophosphorica	Caulophyllum Thalictroides	Chromium Sulfuricum
Calcarea Iodata	Causticum Hahnemanni	Chrysanthellum Americanum
Calcarea Lactica	Ceanothus Americanus	Chrysanthemum Parthenium
Calcarea Muriatica	Cedron	Chrysarobinum
Calcarea Nitrica	Cedrus Libani	Cichorium Intybus
Calcarea Oxalica	Celtis Australis	Cicuta Virosa
Calcarea Phosphorica	Centaurea Cyanus	Cimex Lectularius
Calcarea Picrinica – Calcarea Picrata	Centaurium – Umbellatum	Cimicifuga = Actea Racemosa
Calcarea Silicata	Cereus Bonplandii	Cina
Calcarea Sulfurica	Cerium Metallicum	Cineraria Maritima
Calendula Officinalis	Cetraria Islandica	Cinnabaris
Caltha Palustris	Chamomilla (Matricaria Chamomilla)	Cinnamomum Zeylanicum
Camphora	Champignon De Cerisier	Cistus Canadensis
Camphora Monobromata	Charbon	Citrus Limonum
Candida Albicans	Chatons D'érable	Clematis Erecta
Cantharis	Cheiranthus Cheiri	Clematis Vitalba
Capsicum Annuum	Chelidonium	Cobaltum Metallicum
Carbo Animalis	Chenopodium Anthelminthicum	Cobaltum Muriaticum
Carbo Vegetabilis	Chimaphila Umbellata	Cobaltum Nitricum
Carboneum Oxygenatum	China	Coca
		Cocculus

suite

## C

Coccus Cacti	Coumarinum	Culex
Cochlearia Armoracia	Coralium Rubrum	Cupressus Sempervirens
Cochlearia Officinalis	Coriandrum Sativum	Cuprum Aceticum
Coffea Cruda	Corydalis Cava	Cuprum Arsenicosum
Cola	Corydalis Formosa	Cuprum Fluoricum
Colchicum Automnale	Corylus Avelana	Cuprum Metallicum
Colibacillinum	Crataegus Oxyacantha	Cuprum Muriaticum
Collinsonia Canadensis	Cresolum	Cuprum Oxydatum Nigrum
Colocynthis	Crocus Sativus	Cuprum Sulfuricum
Combretum Raimbaultii	Crotalus Horridus	Curare
Comocladia Dentata	Crotalus Terrificus (Cascavella)	Curcuma Longa
Conchiolinum	Croton Lechleri	Cyclamen
Condurango	Croton Tiglium	Cynara Scolymus
Conium Maculatum	Ctenocephalum	Cypripedium Pubescens
Convallaria Majalis	Cubeba	Cyrtopodium Punctatum
Copaiva	Cucurbita Pepo	Cytisus Laburnum

## D

Damiana	Digitalis (Purpurea)	Doryphora
Daphne Indica	Dimethylsulfoxyde	Dracontium Foetidum
Datisca Cannabina	Dioscorea Villosa	Drimys Winteri
Daucus Carota	Diphtherinum	Drosera
Derris Pinnata	Dite	Duboisia
Desoxycortisone Acetate	Diteper	Dulcamara
Dhea	Dolichos Pruriens	Dysenteryco

## E

Eberthinum	Equisetum Arvense	Eucalyptus Globulus
Echinacea Angustifolia	Equisetum Hiemale	Eupatorium Aromaticum
Echinacea Purpurea	Erica Vulgaris	Eupatorium Cannabinum
Elaps Corralinus	Erigeron Canadensis	Eupatorium Perfoliatum
Eleutherococcus	Eryngium Aquaticum	Eupatorium Purpureum
Enterococcinum	Erysimum Officinalis=	Euphorbia Amygdaloide
Eosinum	Erysimum Off	Euphorbia Corolata
Ephedra Vulgaris	Eschscholtzia (Californica)	Euphorbia Cyparissias
Ephedrine	Eserinum Salicylicum	Euphorbia Lathyris
Epilobium Angustifolium	Espeletia	Euphorbia Palustris
Epilobium Palustre	Ethylicum	Euphorbium
Epilobium Parviflorum	Ethylsulfur Dichloratum	Euphrasia
Epiphegus Virginianus	Etoile Alpheord	Eupionum

## F

Fagopyrum	Ferrum Phosphoricum	Fragaria Vesca
Fagus Sylvatica	Ferrum Picricum	Franciscea Uniflora
Fel Tauri	Ferrum Sulfuricum	Frangula
Feldspath. Quadratique	Fièvre Jaune	Fraxinus Americana
Ferrum Citricum	Fili Mas	Fraxinus Excelsior
Ferrum Iodatum	Fleur De Paradis	Fucus Serratus
Ferrum Metallicum	Flor De Piedra	Fucus Vesiculosus
Ferrum Muriaticum	Foeniculum	Fumaria Officinalis
Ferrum Nitricum	Formica Rufa	Fusarium Oxysporum
